Biographies

Our people are among the most talented in the industry. It would be our pleasure to put our extensive experience to work for you. We generated our team from playing with the best around the world in Snooker and Pool. We understand the requirements from a customers perspective and players perspective. Thats why we have excelled in this business to generate a design of the OMARI Series editions Pool table that everyone loves.

Remember this design of Pool Table is designed for everybody to have fun and enjoy. Males, Females and kids all can pot balls, but most importantly have fun.

My self as a player have travelled the world and played the best. I have an extensive background and knowledge of the game and wish to build the sport for everyone to have a passion for.
